Re increase of pay to the Khatib of Jumma Masjid, Ivrore City.

From

The Private Secretary to H. H. the Maharaja of Ivrore.

No. 564 Dated 4th October 1.Co.

Syed Imamudin Khadri, Khatib of the Jumma Masjid in Ivrore City in his memorial addressed to His Highness the Maharaja represents that his present small pay of Rs. 9/- per month is not sufficient to enable him to subsist to the Khatib's duties of a position with the large Mohomedan population of the Ivrore City. He prays for an increase of pay to a higher scale.

The memorial has been referred to this office for report and recommendation of papers for orders.

It is true that the Khazi of Srirangapatam gets the highest pay of Rs. 75/- per mensem, but any reduction in his pay cannot be effected after the retirement of the existing incumbent. I submit herewith the file of papers connected with the memorial of Syed Mynodin Khadri, Khazi of the Jumma Masjid in Mysore City, praying for an increase of pay and higher status, as called for in the Private Secretary's memo No.889, dated 4th October 1906.

The memorialist was appointed Khazi in December 1903 in succession to his deceased brother and has been in receipt of a pay of ₹9 per mensem which is the pay of the appointment in question. The cash tusdik granted by Government to this Masjid is ₹2,092-1-0 per annum, while the expenditure amounts to ₹2,072, leaving a small saving of ₹20-1-0. The pay of the Khazi is no doubt small, but looking at the present income and expenditure of the institution, it is not possible to raise the memorialist's emoluments without effecting a corresponding reduction in the existing establishment. Should, however, it become possible to do so later on, the question of giving the memorialist an increase may be considered.

The fact that the Khazi of Seringapatam gets a higher pay cannot be urged as a ground for claiming an increase. The circumstances are different.

The memorialist probably derives some income from the Mahomedan public in the shape of fees for services rendered on occasions of marriages, deaths, &c.

Muzrai Secretary's remarks:-

The memorialist says that as he is getting old, the pay of Rs 16 may be continued to him for life as pension - The pay is attached to the office of Khazi and must be paid to the person who conducts the duties. It cannot therefore be given to the Petitioner as pension.

He prays as an alternative that he may be given a pension of Rs 10 from the Palace and makes reference to an allowance of Rs 15 given from the Palace to one Khyrun Bi and of Rs 8 subsequently given to her daughter. He points out that there is a saving of Rs. 7 at present. The Govt. cannot, I submit, pass any orders on this request which relates to the Palace.

The memorial has been forwarded to ~~this office~~ the Dewan under cover of the Private Secretary's D.O. ~~of~~ letter of the 25th June 1908, In the D.O. the Private Secretary says that the memorialist is a venerable and respected old gentleman whose case has often been commended for favorable consideration by Mr Fraser. The only source from which the pension should come is the Govt Tasdik which is granted for the maintenance of the masjid and the grant of any pension out of such Tasdik is apparently inadmissible.

The applicant is in receipt of a pay of Rs 16 p.m. as Khazi of the masjid and it is stated that there is no objection to his holding the office of Khazi for life. If he can perform the duties of his office, it is immaterial whether what he gets is called pay or pension. If however he can not it is not clear what claim he has for any pension from the funds of the masjid.

The payment made to employes of Muzorai Institutions is for the performance of the specified work required of them and the whole time of such employes is not retained and as such there is no obligation on the institutions to pay any

pension, after the employee cease to render the services for which they are engaged, even if the institutions can afford to pay pensions. The only permanent source of income of these institutions is the govt — Tasdik grant and the other sources of their income are unsteady & precarious and with such income they can hardly undertake any permanent liability like the payment of pensions —

Jud Secy 13-7-08

Under the strict application of financial rules the grant of a pension is not admissible in such cases. Nor can I advise the grant of a pension to the applicant as a special case, as such a step is sure to form a precedent of the most embarassing kind.

But the inclination of His Highness to look upon the application with favour has led me to consider how we can practically give to the Khazi all that he wants without formally sanctioning a

a pension for him. This should not be difficult if, as I understand the case really is, his duties are not of an exacting nature and it is possible to have them done by other members of establishment for any period during which the applicant may be unable to perform them, without any extra payment to the other members. An assurance to the applicant that his appointment is for life and that his duties will be arranged for without deduction from his pay whenever he is unable to perform them will be practically giving him a pension. An order stating how the duties should be distributed when the Khazi is unable to perform them should be communicated to the Mutwalli.

GOVERNMENT OF MYSORE

[illegible] 1908.

To

Dear Mr Macnaghie

Paper under disposal

With reference to your D.O. letter of the 24th June 1908 enquiring whether it would be possible to grant a small pension to Syed Ghulam Khwaja, Khazi of Agore, I send herewith the papers connected with the case.

It will be seen that in October 1906, the Khazi addressed a memorial to His Highness the Maharaja represent-ing that his pay of Rs.9 per mensem was quite insufficient and asking that his pay may be raised. In my note dated D 22nd October 1906 I explained how it was not possible to raise the memorialist's emoluments without effecting a corresponding reduction in the existing establishment and said that, if it became possible to do so later on, the question of giving him an increase might be considered. Thereupon His Highness was pleased to pass the following order on E the 24th October 1906:-

"The petitioner may be informed that nothing can be "done at present".

Since then, however, as mentioned by the memorialist in his memorial dated 18th March 1908, it has been found possible to raise his pay to Rs.16 by reducing establishments costing Rs.7. What he asks for is a pension from the Palace in addition to this enhanced pay of Rs.16. As this is not possible he may be told that Government have shown him every consideration in raising his pay to Rs.16 and that he may continue to draw this pay so long as he is able to discharge the duties of Khazi. If he is unable to perform them from advanced age, he may nominate a duly qualified officiator and Government would pay him the original pay of Rs.9 and the balance may go to the memorialist as pension. It should be understood that this is a special arrangement personal to the memorialist.

Yours sincerely

The humble memorial of Syed

Sirdar, Tippu Sultan's Government
residing opposite to Jumma Masjid,
Mysore.

Most humbly sheweth,

With due deference and humble submission I beg to add that your Highness has been protecting descendents of noble families by bestowing on them decent stipends on family consideration. My forefathers were in honorable position during the days of Tippu Sultan. In consideration of this and my own personal qualification, I was appointed Khazi of the Mysore city on Rs. 9 per month. Subsequently the pay was raised to Rs. 16 per month. For this act of kindness the members of my family and myself are very much indebted to your Highness. Old age is overtaking me and I am not likely to put in 30 years service to entitle me to pension according to the rules. I beg on family consideration the present pay of Rs. 16 per month may be continued to me as pension for life.

2. I further beg to submit that your Highn

Illustrious Late grand father Sri Krishnaraj Wadeyar Bahadur G.C.S.I was pleased to sanction a sum of Rs 15 per mensem to Khyrunbi widow of late Sri Khazi Syed Mohamad Khadri from the palace. Subsequent to the death of the said Khyrunbi her daughter Mahammadbi has been granted a pension of Rs 8 per month as per orders of Your Highness's Illustrious father Sri Chamarajendra Wadeyar Bahadur G.C.S.I. Thus there is a saving of Rs 7. I therefore humbly pray that on family and other considerations Your Highness may be pleased to sanction me Rs 10 per mensem as a special case. From the enclosed papers it will be seen that my grand father Meer Meeran Mahomed Rufti Saidar was receiving 700 pagodas in the late Tippu Sultan's Government.

For this act of Kindness and charity I shall as in duty bound ever pray for the long life and prosperity of Your gracious Highness.

I beg to remain
